

History

The Hobbs Hispano Chamber of Commerce was founded July 2006 by a group of local business community leaders who felt there was a need to form an organization dedicated to Small-owned and minority -owned businesses. It was designed to facilitate business growth and professional development with an emphasis on Small Businesses and Business engagement in our community

Mission

To maximize, promote and encourage the development, growth and expansion of small-owned and minority-owned businesses throughout the Hobbs community.

Vision

To unite Hispanic-owned businesses and professionals through the Hobbs Hispano Chamber of Commerce; as a place to advocate, promote and network. Allowing business leaders, owners and professionals to further enhance their skills and knowledge for operating a successful small business. To represent the entire community locally and regionally and lend a voice to the Small and Minority owned-businesses.

Padrinos

As an opportunity to introduce new members and facilitate networking, this committee plans and hosts a monthly **Pan Dulce Y Café**. The purpose of **Pan Dulce Y Café** is to give members and non-members a chance to get to know one another, discuss business issues and become aware of the many benefits of being a HHCC member.

Membership

The objectives are to increase membership recruitment; give community exposure to our members' businesses; develop new activities and services in supporting their business and ensure their economic growth and success. The Membership Committee plans events in a collaborative effort to bring small business owners together and further promote their businesses.

Economic Development

The objective of this committee is to make recommendations to the Board of Directors on the direction in which the Hispano Chamber should approach in order to continue the growth and economic development in the county. To assist business leaders, owners, and professionals to further enhance their skills and knowledge for operating a successful small business by offering various educational workshops.

Community Affairs

The objective of the committee is to enhance the community and members' welfare. They accomplish this task by sponsoring and coordinating events in areas of interest, outside the business focus. For example, the **Fiesta de Salud!**, Which is an annual health fair designed to provide free medical information to the public. Health agencies and professionals will be represented and provide this information to the general public. Committee also focuses their effort in engaging members of the community to volunteer and become involved with community

Education

Encourage and assist our Hispanic youth in completing and continuing their education. This committee raises funds to provide HHCC scholarships. They award annual scholarships to local high school seniors. It is this committee's charge to recognize outstanding, exemplary students who volunteer and are involved in the community. Students are recognized both in the HHCC newsletter and website.
