A Congratulatory Message from Governor Bill Richardson

As Governor of New Mexico, I am very pleased to extend my congratulations to the Hobbs Hispano Chamber of Commerce and join you in your first annual celebration of "Viva Septiembre!" Celebrating Hispanic Heritage.

For centuries, Hispanic leaders have helped to shape the history of New Mexico. You, the current generation of Hispanic leaders, are shaping its future. The recent creation of the Hobbs Hispano Chamber of Commerce will strengthen small business in Hobbs, expand opportunities for Hispanic entrepreneurs and promote education. This is an important step forward for your community.

Hispanic culture plays a proud and vibrant role in our state. Through your initiative and dedication, you represent the best of Hispanic New Mexico. Best wishes for your September celebration and for the continued success of the Hobbs Hispano Chamber of Commerce.

With warmest regards,

To the Hobbs Hispano Chamber:

I would like to take this opportunity to welcome you and say Congratulations on being in Hobbs!! It is wonderful that your organization has become such a factor, just as many minorities are becoming more and more influential in our community and taking on various roles of leadership. I look forward to working together with you all to better Hobbs for all races of people, not just one culture.

My prayer is that God will bless each and everyone that has had a part in creating the Hobbs Hispano Chamber and its future successes. Again, congratulations!

If my staff or I can ever be of service to you, please do not hesitate to contact any of my offices.

As a City Commissioner it is an honor to welcome the Hispano Chamber to the City of Hobbs.

It is a great opportunity not only for the Hispanic Community, but for the City of Hobbs. As our community grows and becomes more diverse, the Hispano Chamber will be able to serve those segments of the community whose needs had been overlooked.

The Hispano Chamber also brings an opportunity to share the culture of the Hispanic community to the City in a positive way. When people know each other's culture, they trust each other, have respect for each other and work together to make Hobbs a better place for all its citizens.

Sincerely,
